

CORONAVIRUS FUNDING REPORT

#DoMoreLocal

The Heart of England Community Foundation launched the Coronavirus Resilience Appeal on 18th March 2020. The appeal was open to any individual, business or trust that would like to support grassroots organisations who are tackling emerging issues in the West Midlands during the Covid-19 pandemic.

The Foundation launched the Coronavirus Resilience Fund on 23rd March 2020 and has now delivered 39 rounds of funding. Following the success of the <u>Coronavirus Resilience Fund</u> the Foundation has also been delivering the <u>Doing Things Differently Fund</u>, this fund is supporting organisations in changing the way they deliver their services.

The two funds combined have now awarded over 570 grants, totalling more than £3.3m. If you would like further information about any of these grants please get <u>in touch</u>.
